

LNER Farewell HST

Requirements:

Armstrong Powerhouse HST (MTU) Pack

Installation:

- Copy the "Assets" folder into your Railworks folder (This can be found by going to your Steam Library, right clicking on Train Simulator then Manage - Browse local files)
- Run the "InstallLNER.bat" now located in Railworks/Assets. (Do not run as Administrator)

I think that is all, I hope you enjoy using this reskin and the effort that has gone into making it!
